### § 240.14c-4 Presentation of information in information statement.

(a) The information included in the information statement shall be clearly presented and the statements made shall be divided into groups according to subject matter and the various groups of statements shall be preceded by appropriate headings. The order of items and sub-items in the schedule need not be followed. Where practicable and appropriate, the information shall be presented in tabular form. All amounts shall be stated in figures. Information required by more than one applicable item need not be repeated. No statement need be made in response to any item or sub-item which is inapplicable.

(b) Any information required to be included in the information statement as to terms of securities or other subject matters which from a standpoint of practical necessity must be determined in the future may be stated in terms of present knowledge and intention. Subject to the foregoing, information which is not known to the registrant and which it is not reasonably within the power of the registrant to ascertain or procure may be omitted, if a brief statement of the circumstances rendering such information unavailable is made.

(c) All printed information statements shall be in roman type at least as large and as legible as 10-point modern type except that to the extent necessary for convenient presentation, financial statements and other tabular data, but not the notes thereto, may be in roman type at least as large and as

legible as 8-point modern type. All such type shall be leaded at least 2 points.

(d) Where an information statement is delivered through an electronic medium, issuers may satisfy legibility requirements applicable to printed documents, such as type size and font, by presenting all required information in a format readily communicated to investors.

#### § 240.14c-5 Filing requirements.

(a) *Preliminary information statement.* Five preliminary copies of the information statement shall be filed with the Commission at least 10 calendar days prior to the date definitive copies of such statement are first sent or given to security holders, or such shorter period prior to that date as the Commission may authorize upon a showing of good cause therefor. In computing the 10-day period, the filing date of the preliminary copies is to be counted as the first day and the 11th day is the date on which definitive copies of the information statement may be sent to security holders. A registrant, however, shall not file with the Commission a preliminary information statement if it relates to an annual (or special meeting in lieu of the annual) meeting, of security holders at which the only matters to be acted upon are:

- (1) The election of directors;
- (2) The election, approval or ratification of accountant(s);
- (3) A security holder proposal identified in the registrant's information statement pursuant to Item 4 of Schedule 14C (§ 240.14c-101); and/or
- (4) The approval or ratification of a plan as defined in paragraph (a)(6)(ii) of Item 402 of Regulation S-K (§ 229.402(a)(6)(ii) of this chapter) or amendments to such a plan.

This exclusion from filing a preliminary information statement does not apply if the registrant comments upon or refers to a solicitation in opposition in connection with the meeting in its information statement.

NOTE 1: The filing of revised material does not recommence the ten day time period unless the revised material contains material revisions or material new proposal(s) that

constitute a fundamental change in the information statement.

NOTE 2: The officials responsible for the preparation of the information statement should make every effort to verify the accuracy and completeness of the information required by the applicable rules. The preliminary statement should be filed with the Commission at the earliest practicable date.

NOTE 3: Solicitation in Opposition—For purposes of the exclusion from filing a preliminary information statement, a “solicitation in opposition” includes: (a) Any solicitation opposing a proposal supported by the registrant; and (b) any solicitation supporting a proposal that the registrant does not expressly support, other than a security holder proposal identified in the registrant's information statement pursuant to Item 4 of Schedule 14C (§ 240.14c-101 of this chapter). The identification of a security holder proposal in the registrant's information statement does not constitute a “solicitation in opposition,” even if the registrant opposes the proposal and/or includes a statement in opposition to the proposal.

NOTE 4: A registrant that is filing an information statement in preliminary form only because the registrant has commented on or referred to an opposing solicitation should indicate that fact in a transmittal letter when filing the preliminary material with the Commission.

(b) *Definitive information statement.* Eight definitive copies of the information statement, in the form in which it is furnished to security holders, must be filed with the Commission no later than the date the information statement is first sent or given to security holders. Three copies of these materials also must be filed with, or mailed for filing to, each national securities exchange on which the registrant has a class of securities listed and registered.

(c) *Release dates.* All preliminary material filed pursuant to paragraph (a) of this section shall be accompanied by a statement of the date on which copies thereof filed pursuant to paragraph (b) of this section are intended to be released to security holders. All definitive material filed pursuant to paragraph (b) of this section shall be accompanied by a statement of the date on which copies of such material have been released to security holders or, if not released, the date on which copies thereof are intended to be released.

(d)(1) *Public availability of information.* All copies of material filed pursuant to paragraph (a) of this section shall be
